Hattie Larlham is asking for community donations of personal protective equipment (PPE) and disinfectant cleaning supplies during a national supply shortage due to the COVID-19 pandemic. Hattie Larlham seeks these supplies to continue to maintain a healthy and safe environment for the residents of their intermediate care facilities (ICF) and licensed residential and supported living group homes, as well as for the staff who work at those facilities.

**Items requested, in new and unused condition, are:**

- N95 masks
- Surgical-type masks
- Disposable vinyl and nitrile gloves
- Infrared thermometers
- Disposable protective gowns
- Face shields
- Hand sanitizer
- Antibacterial wipes/ cleaning products

Any person, group, or business interested in donating supplies is asked to contact Hattie Larlham Vice President of Operations Dan Warner at: (330) 732-8294 or [Daniel.warner@hattielarlham.org](mailto:Daniel.warner@hattielarlham.org).

Hattie Larlham will continue to closely monitor local, state, and federal updates regarding COVID-19 risks and recommended procedures and precautions. Many of the persons served by Hattie Larlham are medically fragile and fall within the most vulnerable demographics for this respiratory illness. All Hattie Larlham service areas are taking extra precautionary measures to limit potential exposure to COVID-19. Use of these PPE items by healthcare workers and direct care providers during the COVID-19 pandemic is recommended by the Centers for Disease Control and Prevention and the Ohio Department of Health. To date, no Hattie Larlham employee or person served by Hattie Larlham has been diagnosed with COVID-19.
